ABOUT ME

Passionate and detail-oriented Software Quality Assurance (SQA) Engineer with over 3 years of experience in manual, API, and performance testing across ERP and healthcare platforms. Skilled in test planning, defect tracking, documentation, and stakeholder communication. Proficient with tools such as Postman, JMeter, Selenium (basic), and TestComplete. Experienced in Agile/Scrum environments with a strong focus on usability, performance, and continuous improvement. Committed to delivering high-quality software solutions by ensuring robust functionality, performance, and user satisfaction.

WORK EXPERIENCE

Software Quality Assurance Engineer E-Medical Software Limited

May 2024 – Present

- Designed and executed 500+ manual test cases for ERP healthcare modules such as Registration, OPD, EMR, Diagnostic, and MIS.
- Performed functional, regression, and performance testing, reducing post-release defects by 30%.
- Identified and reported 200+ critical bugs via JIRA, collaborating with developers and business analysts for timely resolution.
- Conducted API testing with Postman for SMS integration across modules like Doctor Appointment, Patient Admission, OT Schedule, and Discharge.
- Executed performance testing with Apache JMeter, validating system stability for 100+ concurrent users.
- Supported 12+ product releases, ensuring timely QA sign-off and smooth production deployments.

SQA Engineer Softeko

January 2023 – April 2024

- Provided QA support for 20+ WordPress theme releases, contributing to a 85% customer satisfaction score based on support feedback.
- Conducted cross-browser and cross-device testing using BrowserStack, ensuring seamless experience across Chrome, Safari, Firefox, and mobile devices.
- Facilitated User Acceptance Testing (UAT) by coordinating feedback collection and refining test cases based on stakeholder input.
- Created and maintained user manuals, QA documentation, and troubleshooting guides for product releases and customer support.

Jr. QA Engineer Voltsmith Technology Limited

March 2022 – October 2022

- Assisted in creating and executing manual test cases for internal web applications, ensuring functionality met business requirements.
- Reported and tracked bugs using Excel and Trello, collaborating with senior QA engineers to validate and resolve issues.
- Contributed to preparing test documentation, including test case templates, checklists, and initial requirement reviews.

SKILLS & EXPERTISE

- **Manual Testing:** Functional | Regression | UAT | Sanity | Exploratory | System | Usability | Ad-hoc
- **API Testing:** RESTful APIs using Postman | Newman | REST Assured
- **Performance Testing:** Load & Stress Testing | Apache JMeter
- **Automation Testing:** Selenium WebDriver | TestNG (Basic) | Cypress | Katalon Studio | Playwright (TypeScript) | Automation scripting
- **Mobile App Testing:** Manual and Automated testing using Appium

- **Security Testing:** Basic penetration testing using Burp Suite.
- **Cross-Platform Testing:** Browser and device compatibility via Browser Stack.
- **Database Testing:** MySQL | MSSQL for data validation and backend query verification.
- **Programming:** Java (Basic) | JavaScript (Basic) | Wordpress.
- **Documentation & Collaboration:** Test Cases | Bug Reports | Technical Documentation | End-User Manuals | Stakeholder Communication.
- **Tools & Technologies:** Selenium WebDriver | TestNG | Cypress | Katalon Studio | Postman | Newman | REST Assured | Apache JMeter | Appium | BrowserStack | Sauce Labs | Burp Suite | TestRail | MySQL | MSSQL | Playwright (Type Script) | JIRA | Trello | Bugzilla | Git | GitHub | Chrome DevTools | Jenkins | GitLab CI/CD | Fiddler.
- **Soft Skills :** Critical Thinking | Decision Making | Strong Analytical | Problem-Solving Skills | Communication with Stakeholders | Team management | Effective Communication (Verbal & Written).

PROJECTS

Booking API Postman Automation : [GitHub: Project link](#)

Automated Load Testing with Jmeter : [GitHub: Project link](#)

PROFESSIONAL COURSES

Course : SQA and Cyber Security

Institute : IT Training BD

EDUCATION

B.Sc in Electronics and Communication Engineering

Gujarat Technological University, India

CGPA : 6.60 (1st Class)

Year of Completion: 2017

Science in HSC

Netrokona Govt. College

Board: Dhaka

GPA : 4.94

Science in SSC

Anjuman Adarsha Govt. High School

Board: Dhaka

GPA: 5.00

PERSONAL DETAILS

Father's Name : Pallab Datta
Mother's Name : Mousumi Datta
Date of Birth : 10/06/1995
Gender : Male
Marital Status : Unmarried
Nationality : Bangladeshi
